1) The Event:

A Rallycross is a timed event for automobiles, generally held on an unpaved, flat surface, wherein the course consists of straight sections and connecting turns and corners. Accent in course design is also placed on the general avoidance of obstacles such as trees, exposures, deep ditches, etc. Surface terrain will be gravel, some ridges and bumps, and the possibility of large spots of standing water or snow depending on weather conditions. Competitors run the course one car at a time. The runs are timed and the fastest car in each class is the winner. Because of the shortness of the track and the frequency of tight turns, speeds are quite slow, and the emphasis is on driving skill and car setup. The Rallycross event will take place at Thunder Mountain Raceway, located 41 kilometers southeast of Kelowna, BC. The specific location at the Thunder Mountain complex is the rallycross track which is located past the north end of the drag strip.

There are some site-specific rules that all competitors should be aware of.

- The speed limit in the pits is a maximum of 10 km/h.
- There will be two run groups. When your group is not racing, you will be required to help work the course.
- Any competitor caught driving, or reported to have driven, on any part of the paved drag strip will be disqualified and banned from future events. The drag strip is out of bounds.
- All members of IRSA and all participants of IRSA Rallycross events are expected to drive on public roads in a manner that reflects well on the club and motorsport in general. Penalties for non-compliance (up to exclusion from events) may be levied at the discretion of an IRSA executive member.
- Competitors are encouraged to bring fire extinguishers.

2) Jurisdiction:

The Rally Cross will be held under the General Competition Rules of the Canadian Association of CARS. Section 27 goes over RallyCross specific rules. Full 2023 version can be found here:

<https://carsrally.ca/wp-content/uploads/2015/09/CARS-2023-En-Rule-Book-Ver-12.pdf>

Additional information can be obtained at CARS website: carsrally.ca

9) Eligibility of Vehicles

- Vehicles must be based on a production, closed body and chassis to compete. **(No convertibles or open cockpit vehicles).**
- All loose items in the vehicle must be removed during the event (including from the trunk).

c) Snap-on hubcaps, detachable fender skirts and trim rings must be removed.

d) Tires: **APPLIES TO ALL VEHICLE CLASSES INCLUDING SXS**

It is the intent that tires that are used in these rallycross events are readily available street use tires OR tires that are manufactured specifically for rally use. High performance and specialty tires other than gravel rally tires will not be accepted. The event scrutineer and the event organizer will each have the absolute authority to disallow any tire that does not comply with this intent. Competitors are advised to consult with the organizer prior to purchasing tires if any doubt may exist as to eligibility.

Street Tires:

- Must be readily available in Canada.
- Any mass produced tire marketed for automotive use in Canada is allowed.
- Must bear a domestic DOT designation.
- In the case of studded winter tires, must comply with CARS rule 12.4.3.1 and any revisions.
- Tires must be covered from view when viewed from above as per CARS rule 12.4.9.
- Tire treads must be unmodified.
- The addition of bead clamps and inner tubes is permitted.
- Tires must be in good condition as per CARS rule 27.3.2.1 d)
- **ATV/UTV TIRES WILL NOT BE ALLOWED**, even if DOT rated, to prevent track damage.

Rally Tires:

- Tires that are produced specifically for gravel rallies will be allowed.
- A DOT designation is not required for this class of tire.
- Maximum wheel diameter will be 15".
- Tires, treads and sidewalls are to be unmodified. The addition of bead clamps and inner tubes is permitted.
- Tires are to be in good condition as per CARS rule 27.3.2.1 d)

e) Mechanical condition and safety of the vehicle is the responsibility of the competitor. **f)** Commercially available RENTAL CARS ARE NOT PERMITTED AT THIS EVENT. If you are driving a car that is not owned by you, you must submit a signed letter of permission from the registered owner, saying

that they know that the car will be used in a Rallycross competition and grant you permission to use their vehicle.

g) Sunroof must be secured in a closed position.

h) Seat belts must be in good condition.

i) Battery must be secure and have the positive terminal insulated (electrical tape works).

j) Windshield must not have significant cracking in the driver's field of view.

10) Mandatory Equipment:

- Helmets conforming to **NRR 11.1.6 or bearing “Snell Memorial Foundation” standards M2005 or SA 2005 (or more recent)** must be worn by all drivers and passengers. • **DOT helmets will not be accepted.**
- Minimum three-point seat harnesses must be worn by drivers and passengers.

11) Vehicle Classes:

- AWD and 2WD
- In addition to the regular technical inspection, Scrutineers may ask to re-inspect a competitor's car during or after the event. Refusal of the inspection may result in classification change for the rest of the event. The organizers reserve the right to classify or reclassify any vehicle in the interest of fairness.

12) Timing and Scoring:

Cars will run one at a time, timed by stopwatch or timing lights. If timing is by stopwatch, the clock starts running when the starter gives the signal to go. If the event is timed with timing lights, the time begins when the car breaks the starting beam. If only 1 course is run in the day cumulative time will be given as the total of all the driver's best 2 runs. If multiple courses are run in the day, cumulative time will be given as the total of all the driver's best 1 run from each course. Places will be given by the lowest total time for the day.

13) Entries:

Registration will be done through www.motorsportreg.com. The registration link and all supporting information and documentation will be available 30 days prior to the event from <https://www.rallyinterior.ca/events>.

The maximum number of entries will be limited to 34 participants. Maximum number of drivers sharing one car will be limited to 2 drivers. Entries will be accepted until close of registration in the order they are received. Entries are not considered received until paid in full. Any entries received after the thirty-competitor limit is reached, will be placed on a waitlist and contacted if space becomes available. The organizers reserve the right to close registration early, or to cancel the event. Competitors need to have a CARS Basic competition license, or valid Regional/National Rally license. Residents of the US may compete on a Rally America, America Rally Association (ARA) or NASA Rally license. A one-day Basic License is available for \$10, or a year-long license is available for \$25. Competitors who are not a member of an RPM affiliated club (IRSA, WCRA, SBRCC) will need to either purchase an annual membership for \$40 or a single day membership for \$10. All payments must be received before the event.
