

Bulletin 2 - October 24, 2023

This bulletin addresses a change to the supplementary regulations for November and December Fun Day events.

Event dates are: (Same as in supplementary regulations)

Sunday, November 12th, 2022

Sunday, December 17th, 2022

New Section

“Arrive & Drive” Entries:

Registration will be done on site provided electronic waiver is completed. Registration will be done via special form that contains the following information:

First and last name

Date of birth

Drivers license

Emergency contact

Car used

The maximum number of “arrive and drive” entries is 20 hot laps.

Section 7 still applies to “arrive and drive” entries.

In order to register as an arrival & drive participant needs to find a car with complete tech that the owner is willing to lend or pass tech for their own car.

The person will then get two laps in that car on the current course. First run is a recce run to learn the course. Second run is hot.

After that the person can purchase an additional run provided the owner agrees.

After the two hot runs are done, the person can register for the full day provided there are spots available. The fee paid will be applied towards the full entry fee.

There is no wait list for this type of registration.

First 2 laps in a car: \$15 CAD

Additional laps in the same car: \$10 CAD per lap
